

Submission Number	Topic	Track	Oral/Poster
573	BRCA1/2 Genetic Population Screening: Are we ready?	Knowledge for Use in Practice	Oral
46	Two-Year Clinical Outcomes of Third Molar Autotransplantation: Clinical Trial of 52 Patients	Knowledge for Use in Practice	Oral
653	Comparative Analysis of Prophage Gene Content in Veillonella Atypica Isolates from a Periodontitis Patient and Healthy Individuals: Pilot Study	Knowledge for Use in Practice	Oral
702	Economic Evaluation for Minimal Intervention Paediatric Caries Management Strategies in Latvia	Knowledge for Use in Practice	Oral
706	Challenges and Opportunities in Adopting Minimally Invasive Caries Management: Perspectives from Latvian Dental Hygienists	Knowledge for Use in Practice	Oral
355	Evaluating a Telemedicine-Integrated Workflow to Enhance Acute Ischemic Stroke Care: Protocol for Observational Multicenter Study	Knowledge for Use in Practice	Oral
376	Comparing Polymer Drug Loading Methods and Solubility Parameters	Knowledge for Use in Practice	Oral
244	Automatic Segmentation of Morphological Structures, Metastasis Detection, and 3D Model Reconstruction from Medical Imaging Utilising Artificial Intelligence Based on Deep Neural Network Methodologies	Knowledge for Use in Practice	Oral
769	Developing and Testing an AI-based Tool for Acute Ischemic Stroke Detection in Non-enhanced CT (NECT)	Knowledge for Use in Practice	Oral
263	Comparative Study of Acquired Cholesteatoma in Paediatric and Adult Populations	Knowledge for Use in Practice	Oral
435	Chronic Rhinosinusitis with Nasal Polyps in Latvia	Knowledge for Use in Practice	Oral
859	Predictors of Poor Long-Term Outcomes after Successful Thrombectomy in Large Vessel Acute Ischemic Stroke	Knowledge for Use in Practice	Oral
449	Cefazolin Concentration in Synovial Fluid during Elective Knee Joint Arthroplasty: Evaluation of Standardised Antibiotic Prophylaxis and Influencing Factors	Knowledge for Use in Practice	Oral
170	Results of Newborn Screening for Biotinidase Deficiency Over a 5-year Period: Genotype and Phenotype, Therapy, and Challenges	Knowledge for Use in Practice	Oral
681	Ultra-Endurance Velo Race Induces 10-Fold Increase in Serum FGF-21 Levels	Knowledge for Use in Practice	Oral
143	Advanced Hydrogel Platforms: Cross-linked Polypeptide for Non-Antibiotic Antibacterial Applications	Knowledge for Use in Practice	Oral
541	Early Identification of Immunodeficiencies: Results from the First Year of SCID Screening in Latvia	Knowledge for Use in Practice	Oral
380	Studies of miRNAs in Patients with Demyelinating Pathologies: Insights and Challenges	Knowledge for Use in Practice	Oral
818	GdIgA+ B cell Differentiation in IgA Nephropathy	Knowledge for Use in Practice	Oral
92	A Novel Diagnostic Method (NS1-IgG-ELISA) for Differentiation of Tick-borne Encephalitis Infections Caused by Different Virus Subtypes	Knowledge for Use in Practice	Oral
140	Rīga Stradiņi University (RSU) Active Surveillance Activities Demonstrate the Effectiveness of Tick-Borne encephalitis Vaccination in Latvia, 2018–2023	Knowledge for Use in Practice	Oral

156	Childbirth Experience Among Primiparas and Multiparas with Spontaneous Vaginal Delivery	Knowledge for Use in Practice	Oral
893	Comparative Analysis of After-Birth Associated Factors in Quality of Maternal Care in Healthcare Facilities in Italy, Latvia, Lithuania and Poland	Knowledge for Use in Practice	Oral
475	Upper Respiratory Tract/ENT and Flu-Like Infections in a Single Northern European Paediatric Emergency Department: Comparative Study of 2017 and 2024 Flu Seasons	Knowledge for Use in Practice	Oral
684	Associated Risk Factors among Women Attending Colposcopy Clinic with High-Grade Squamous Intraepithelial Lesions and Above (HSIL+)	Knowledge for Use in Practice	Oral
500	Management of Occlusoproximal Caries Lesions in Primary Teeth: Systematic Review and Network Meta-Analysis	Knowledge for Use in Practice	Poster
317	Enhancing Nanoparticle Features through Ethylene-Bridged Cationic Moieties and Branched Ester Chains in the 1,4-Dihydropyridine Core	Knowledge for Use in Practice	Poster
200	Clinical Efficacy of the Oxiris® Membrane in Patients with Refractory Septic Shock: Comparison between Isolated Hemadsorption and Continuous Veno-Venous Hemofiltration Modalities	Knowledge for Use in Practice	Poster
751	Plasma Neurofilament Light Chain as a Biomarker of Disease Progression and Brain Atrophy in Relapsing-Remitting Multiple Sclerosis	Knowledge for Use in Practice	Poster
865	Impact of Transversus Abdominis Plane Block on Postoperative Analgesia in Ileostomy Closure Surgery: Prospective Cohort Study	Knowledge for Use in Practice	Poster
349	Musculoskeletal Involvement in Patients with Hereditary Hemochromatosis	Knowledge for Use in Practice	Poster
798	Choice of Tactics in Airway Management for Otorhinolaryngology-Oncological Patients: Three-Case Series Analysis	Knowledge for Use in Practice	Poster
625	Relationship between Maximal Oxygen Uptake (VO ₂ max) and Body Composition Indicators in Master Basketball Players	Knowledge for Use in Practice	Poster
141	Polygenic Profile of PPARs Genes Family in Elite Athletes	Knowledge for Use in Practice	Poster
261	Prevalence and Tetracycline Resistance of Ureaplasma species and Mycoplasma hominis in Latvia, 2014–2024	Knowledge for Use in Practice	Poster
43	Implications of Early Contrasted with Planned Initiation of Peritoneal Dialysis	Knowledge for Use in Practice	Poster
426	Seroprevalence of Tick-borne encephalitis in Latvia, 2019–2022, Indicates a High Disease Risk	Knowledge for Use in Practice	Poster
510	Neonatal Urinary Metabolomics in Sepsis	Knowledge for Use in Practice	Poster
804	Trapping the Grant Hunter. Fieldnotes on Autonomia, Engagement and Statist De-Activation from an Academic's Office	PLACES	Oral
762	Necessity of Additional Labeling for High-Sugar Content Food Products: Legal and Public Health Perspectives	PLACES	Oral

24	Challenges of Balancing the Right of Patient to Express His or Her Religious Beliefs during Medical Treatment with the Physicians' Duty to Respect Patients' Right to Self-Determination	PLACES	Oral
659	Safe Use of Everyday Mobile Applications for Providing Telemedicine Services	PLACES	Oral
858	When the Patient is a Jehovah's Witness. Body Autonomy and Refusal of Medical Treatment in a Religious Community	PLACES	Oral
284	Possibilities for Improving the Procedure for Resolving Disputes between Constitutional State Authorities	PLACES	Oral
897	Ensuring Safety of Journalists and Media Freedom in Latvia: Current Challenges and Possible Solutions	PLACES	Oral
15	Exogenous and Endogenous Crises in European Integration: Case Study of Climate Change	PLACES	Oral
526	Civic Education as a Countermeasure to Hybrid Threats: Case of Latvia	PLACES	Oral
103	Economic Analysis of Populism: Causes and Consequences	PLACES	Oral
757	Towards Sustainability: Factors Driving Green Business Transition of SMEs in Latvia	PLACES	Poster
560	Work-Life Balance in Remote Work: Effects of Experience, Communication, and Flexibility	Society. Health. Welfare	Oral
599	Association between Workplace Environment and Self-Esteem in the Population of Latvian Radiographers and Radiology Assistants	Society. Health. Welfare	Oral
225	Work-Life Balance and Musculoskeletal Pain: Insights from a Cross-Sectional Study in Latvia	Society. Health. Welfare	Oral
373	Techno-insecurity Among Working Women in Latvia	Society. Health. Welfare	Oral
59	Telehealth in Arts Therapies for Older Adults with Neurological Disorders	Society. Health. Welfare	Oral
311	Bridging Art Therapy and Community Work in Latvia: Organisational Insights and Challenges	Society. Health. Welfare	Oral
38	Regional Mortality Inequalities and Causes of Death in the Republic of Moldova, 2014–2023	Society. Health. Welfare	Oral
390	Criterion Validity of Riga Cognitive Screening Task Cognitive Assessment Scale	Society. Health. Welfare	Oral
451	Prevalence of Headache Disorders among Adult Population in Latvia	Society. Health. Welfare	Oral
699	Association between Frailty and Mobility Limitations in the Ageing Population of Latvia	Society. Health. Welfare	Oral
796	Problematic Gaming in Association with Substance Use among Adolescents in Latvia	Society. Health. Welfare	Oral
83	Moderating Role of Gender in Association among Heavy Episodic Drinking and Analgesic Use in the Latvian Population	Society. Health. Welfare	Oral
157	Assessment of Difference in Accessibility of Long Term Social Care in Latvian Municipalities	Society. Health. Welfare	Oral
238	Enhancing Emotional Well-Being and Social Connectivity in Home Care: Evaluating the Impact of a Video Visit Service	Society. Health. Welfare	Oral
369	Development and Validation of Two Short Scales for Assessing Work-Related Well-Being	Society. Health. Welfare	Poster

555	Job Satisfaction among Occupational Health and Safety Experts: Insights into Sectoral and Demographic Variations	Society. Health. Welfare	Poster
12	Burnout Syndrome of Nurses in Intensive Care Units in Latvia during COVID-19	Society. Health. Welfare	Poster
47	Association between Social Networks, Demographics, and Quality of Life among the Elderly in Latvia	Society. Health. Welfare	Poster
696	Normative Obligations and Conflict in the Context of Intergenerational Solidarity in Family: Case of Latvia	Society. Health. Welfare	Poster
